Compact Cleaning Cart + Double Bucket Mopping System

COMPACT, NIMBLE ALL-IN-ONE CART

All essentials on one compact cleaning cart. The OneFred Double Bucket Wringing System rides on the Universal Cleaning Cart for easy transport. The cart holds necessary cleaning tools and PPE in a small, agile, lightweight unit.

MOPPING SYSTEM MOVES DIRT OUT

The OneFred's double bucket system **separates dirty water from cleaning solution for more hygienic mopping and disposal of dirt.** OneFred can be used on the cart or removed and rolled to the exact cleaning location.

USER HEALTH & PRODUCTIVITY

Ergonomic engineering provides maximum user comfort, safety, efficiency and effectiveness.

EASY DISINFECTING
