

Glue-Infusion
Technology

Quik-Stik Wipes + LaMello

Daily Disposable Floor Dusting

ATTRACTS & REMOVES DAILY DUST, HAIR

Made with unique glue-infusion technology, Quik-Stik Dust Wipes pick up and hold dust and hair until thrown away.

NO RESIDUE, SELECT-A-SIZE

Quik-Stik Dust Wipes won't leave behind residue on surfaces. Perforated in 6-inch increments, you can tear the length you need to fit your tool.

INFUSION = ECONOMY + EFFICACY

Glue-infusion technology delivers a more effective dry dusting material at a fraction of the cost of a glue coating process.

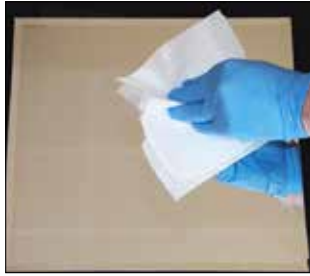

MAXIMUM DUSTING PERFORMANCE

LaMello Rubber Blade Duster provides maximum dust pick up as multiple flexible blades lift and capture dust, hair and debris similar to the effectiveness of how a five-blade razor cuts closer to the skin.

QUIK-STIK DAILY DISPOSABLE DUST WIPES

GLUE-INFUSION TECHNOLOGY

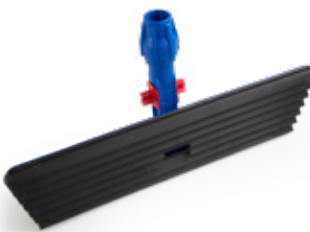

LEAVES NO RESIDUE
Glue-infusion technology eliminates residue being left on surfaces.

HOLDS DUST & HAIR
Ideal for daily dusting. Quik-Stik Dust Wipes collect and hold fine debris for removal.

LAMELLO RUBBER BLADE DUSTER

LAMELLO MULTI-BLADE DESIGN

Multiple, flexible rubber blades capture dust and dirt more effectively than a single blade as they evenly distribute pressure on the surface and act as a "lift and capture" mechanism.

STEP 1: TEAR OFF SECTIONS OF QUIK-STIK DUST WIPES TO COVER LAMELLO

STEP 2: SECURE USING STAR KEEPERS

LaMello Rubber Blade Duster replaces foam-based products for floor dusting. Its autoclavable, squeegee-type blades are strategically spaced for extraordinary capture of dust, dirt and debris, even on irregular surfaces.

PRODUCT (S)	ITEM #	DESCRIPTION	Unit of Measure	Case Pack
	73000A 16"	16" LAMELLO RUBBER BLADE DUSTER W/LOCKING CONNECTOR, BLUE	Each	1
	73001A 24"	24" LAMELLO RUBBER BLADE DUSTER W/LOCKING CONNECTOR, BLUE	Each	1
